

Moss Vale Teams

On **Friday, 20th and 27th April**, join us for two enjoyable afternoons of teams bridge at Moss Vale Community Centre.

Experienced players generally consider teams the fairest, most interesting and most enjoyable form of the game. If you have not played much teams bridge, come along and see how much fun it can be. If you are used to teams play, you know you will enjoy yourself!

To ensure there is a good balance between opposing teams, there will be three categories.

Restricted teams may be either:

- (a) A combined masterpoint total of less than 250 masterpoints.
- (b) Three members have combined masterpoints of less than 125. So, those three players can have an "expert" to guide them.

Intermediate teams will have a combined masterpoint total of less than 750.

Open teams are everyone else.

Players who qualify for the Restricted or Intermediate categories are welcome to team up with higher category players, and play in that category if they so wish.

If numbers permit, teams will mostly play other teams in their own category. There will be prizes in the restricted and intermediate sections. The open players will be there for the glory (and the fun)! For the team(s) that shine there will be an opportunity to play in the Country Teams Regional final, although there is no compulsion to play in that event in May.

If you would like to play, enter on our web site or give your details to Craig or Chris. Also, talk to us if you would like to play but will need a partner or some teammates, or can only play one of the weeks. We will certainly do our best to find you a partner or team mates or a substitute as appropriate.

Since the aim is to have a relaxed and enjoyable day, the speed of play will be easy paced with time between matches to congratulate 😊 or berate 😞 your team mates. We won't be able to finalise the schedule until we know how many teams will play but a possible schedule for each day is as follows.

11:30 to 12:45	Match 1
12:45 to 1:15	Lunch
1:15 to 2:30	Match 2
2:45 to 4:00	Match 3

Table money will be \$10 per person per day for bridge and lunch.
